The baggage-express car illustrated above was a rebuilt car from Pullman Tourist-Sleepers. SR rebuilt these cars in 1948. The lettering was painted in imitation gold (yellow). The letterboard lettering was 7 inches tall. The car numbers were 5 inches tall. Railway Express Agency lettering was 5 inches tall. The star in circle was 6 inches in diameter and was located 3 inches above the belt-rail. The bottom word "Agency" was located 7 inches from bottom of the car, with 6 inches between words.
